My Practice

I practice Usui Shiki Ryoho and my lineage is Usui, Hayashi, Takata, Twan, Williamson, Weston.

.

My Reiki Community

I belong to the Reiki Association (WA), an organisation dedicated to supporting and nurturing WA Reiki practitioners, which is actively engaged in providing voluntary treatments to healthcare facilities. In addition, I'm a full time teacher and practitioner.

My Services

I provide Reiki treatments and teach classes in Australia and overseas.

My Story

I was initiated as a Teacher in 1993 and have since 'worked' full time providing treatments and classes. I love the personal empowerment that Reiki provides and the increasing opportunity to provide a service to others. Most recently I attended a Japanese Reiki level 1 class and am excited by the potential I feel is inherent in that system. The Reiki adventure continues!
