My Practice

I practice Usui Shiki Ryoho and Animal Reiki and my lineage is Usui, Hayashi, Takata, Beth Gray, Hannah Goodman, Tobin Shelp, Toni DeMaio

.

My Reiki Community

We are a welcoming spiritual group that grows each time we meet. No experience in Reiki is required to attend. The circle is held twice monthly on the second and fourth Saturday's at 12 AM in Room 105 of Grace Hall (annex Building) on the Unity Campus at 2929 Unity Dr., Houston, Texas.

Our Reiki Circle is open to everyone and classes in all levels of reiki are offered periodically at my home Reiki Studio at a low price with a flexible payment if needed. We sit together in a guided meditation and reiki Masters and practitioners go around the outside of the circle and channel healing, stress reducing energy to the group with the intention of helping everyone to achieve body, mind, and spirit balance as well as a total body healing.

My Services

I offer Reiki treatments at my home studio for a cost of \$40 for an hour treatment and I also teach classes in all levels of Reiki. My readings are priced at \$40 for an hour or \$20 for twenty minutes.

My Story

I've been working with all levels of Reiki for the past twenty years, helping hundreds of people and it is my honor to be able to teach others as well.
